VACATION NANNIES

At Franklyn D Resort as part of your all-inclusive package, we give our guests the special gift of a personal "Vacation Nanny". She is a qualified member of our staff, specifically assigned to only you and always available to care for your family's every need.

Your Vacation Nanny is highly trained and is on hand from 9:00 am to 4:40 pm to take the worry out of your holiday. If you need her in the evenings, she is available for the low rate of us\$4.00/hour. Warm, attentive and friendly, she respects your privacy and will be there only when needed. Should parents need time alone to relax, to go shopping, SCUBA diving or participate in other activities, your Vacation Nanny will care for your children by taking them to the pool or beach, the playground, for a walk, or to any of the many games, crafts and activities offered every day. Vacation Nannies also are happy to bathe and dress your children, as well as make sure they're fed at mealtimes. In addition, they will make sure your fridge is fully stocked with items of your choice before your return to your suite – which they will always keep neat and tidy.

Special occasions are also an opportunity to lean on the nannies. They are happy to act as your Vacation Assistant by staging special events like family reunions, dinner parties, and birthday and anniversary celebrations.

Our guests' appreciation for our Vacation Nannies is reflected in the numerous letters of commendation sent by guests each week. In your home away from home, there's no better way to spend an all-inclusive holiday than by being attended to by someone who will develop a caring bond with your children while also making sure your vacation has a special touch.

Spacious Family Suites

We're just an hour from the Montego Bay airport. Awaiting you is the charm and hospitality of an elegant Jamaican home. Seductive aromas, colourful gardens and fruit trees surround one, two and three bedroom suites in eight, arched Tuscan-style buildings.

Each spacious suite, decorated in vibrant tropical colours, is complete with livingroom, dining area, kitchen with stocked refrigerator, and bedrooms with ensuite bathroom. All are air conditioned. You will enjoy your own Cable TV and radio/CD player. LAN Internet access is available in every suite. Relax on your own private balcony or garden terrace. Green mountains rise on the south and the clear, turquoise Caribbean laps on the north - and it beckons, just steps from your suite.
